

## God Help Me to be Merciful

When I am bullied,  
Merciful God give me the strength to know that I am important and loved.

When I am lied to,  
Merciful God help me to speak nothing but the truth.

When I am called hurtful names,  
Merciful God help me to ignore the words that bring me down.

When I am abandoned,  
Merciful God help me to make those who are lonely, feel appreciated.

When I face discrimination,  
Merciful God help me to appreciate diversity.

When I feel like leaving Earth,  
Merciful God help me to realize that Your plan for me is here.

When I am given Your gifts,  
Merciful God help me to be humble and not take them for granted.

When I suffer loss,  
Merciful God help me to be grateful for all the things I have.

When I witness suffering,  
Merciful God give me compassion.

No matter our faults, God will help us live with mercy.
