

HUMANAE VITAE:

*The Prophetic Voice of Blessed Paul VI
50 Years Later*

50 YEARS AGO Blessed Paul VI prophesied to the world that marriages and the society would suffer if the use of contraception became widespread. He said that infidelity, moral decline, loss of respect for women and abuse of power by governments would increase exponentially.

Today, the vast majority of women in the western world use some form of contraception. In developing countries, the West engages in oppressive financial and political pressure to comply with abortion on demand, contraception, sterilization and more.

This conference will highlight the fulfillment of these prophecies in the world today and offer a reflection as to how selflessness, love, self-mastery and moral responsibility can reverse this trend.

Speakers include:

Dr. Janet Smith, professor of moral theology at the Sacred Heart Major Seminary in Detroit, Michigan.

Mary Rice Hasson, a Fellow at the Ethics and Public Policy Center in Washington, D.C.

Fr. Robert McTeigue, professor of philosophy and theology at Ave Maria University in Ave Maria, FL.

Angela Lanfranchi is an American breast cancer surgeon. She is a co-founder and current president of the Breast Cancer Prevention Institute.

Vicki Thorn is an international speaker and author on the topics of abortion's aftermath in women and men, the Biochemistry of Sex and the Biology of the Theology of the Body.

The Sisters of Life work to build a new and lasting culture of life and civilization of love.
